The power of Blame

The power of blame

- What happens when you blame someone?
 - Why is your choice to blame someone?
 - How do you blame someone?
 - When do you blame someone?
 - What does it give you to blame someone?
- 

The power of Blame

The power of feeling, that I am okay and what you do is wrong.

The power of what happened, has nothing to do with me, I am perfect.

The power of not being responsible

The power of Blame

Blame will not take you where you want to go.

Use the Gap tools to find out, what is really happening when you think about blame.

Blame makes you free from responsibility

Blame makes you stand still in your mind-set

The power of Blame

Blame is not going anywhere.

It is the driver that keeps you on hold and can keep you on hold for years. The power of blame is digging deeper

Make a wise decision. You can move on from whatever and however bad it is or was

Take first step – Use the GAP tools and start living

The power of Blame

Transform the power of Blame.

Cross the bridge and start living, be scared but keep walking

Feel the desire to live, feel yourself and make a first wish

First step close your eyes and see one picture in your future.

Next step – Use the GAP tools and start living walk to the picture
