THE DIFFERENCE BETWEEN
KNOWING IT
- AND DOING IT IS TRAINING

From a star is born:

If you don't dig deep into your fuckin' soul, you won't have legs. I'm just telling you that.

If you don't tell the truth out there, you're fucked. All you got is you and what you have to say to people and they are listening right now, and they are not going to be listening forever. Trust me. So you gotta grab it and you don't apologize or worry about why they're listening or how long they're gonna be listening for. You just tell them what you want to say.

– Jack
